**SAN BERNARDINO COUNTY DEMOCRATIC PARTY SUPPORTS
AB 1400, GUARANTEED HEALTH CARE FOR ALL**

FOR IMMEDIATE RELEASE

SAN BERNARDINO -- JANUARY 28, 2022 -- The San Bernardino County Democratic Party overwhelmingly voted at its General Meeting on January 27, 2022 to support AB 1400, Guaranteed Health Care for All, which is currently moving through the Assembly.

Several members spoke passionately in favor of this bill, recounting personal experiences with the health care system and how their lives and family members' lives have been negatively impacted by the high cost of health care in California, and stating the belief that healthcare is a human right. The California Democratic Party's platform includes universal, single-payer health care.

Members praised legislators with San Bernardino County constituencies who have endorsed this bill, including Assembly Majority Leader, Eloise Gómez Reyes.

Health care is a life and death matter that affects every Californian, regardless of immigration status, and the San Bernardino County Democratic Party hopes that every Democratic legislator in California will vote for universal health care.

The San Bernardino County Democratic Party meets on the 4th Thursday of each month (via Zoom for the duration of the pandemic). To learn more about the Party and how you can participate, visit our website at <https://www.sanbernardinodemocrats.org>.
